

**School of Leadership and Continuing Studies  
Ministry Matching Grant Application**

A separate application form ***must be completed for each semester*** you wish to receive a grant. Forms must be submitted at least one month prior to the semester applied for. Ministry Matching Grants are figured into student's financial aid package and impact amounts allowed to be taken in student loans, often decreasing that amount. **Grants are available on a limited basis.** Early submissions are recommended.

If a parish, school, hospital, diocese or some other sponsoring agency is willing to pay 1/3 of a student's tuition, Dominican University will match that amount leaving the student responsible for the remaining 1/3 of tuition charges. These grants apply to tuition only and do not cover books, fees, or supplies.

Complete the form, acquire the signature of the responsible person in the sponsoring agency, and return it to:
